

CITIZENS FIRST THROUGH SERVICE EXCELLENCE

*We have an exciting **Full Time Non-Unionized** opportunity in the **Infrastructure Planning & Corporate Asset Management Department** for an experienced and motivated individual*

**Transportation Project Manager/Engineer
(JOB # J0219-0631)**

As one of Southern Ontario's fastest growing cities, with its mix of urban and rural areas, Vaughan is an in-demand place to live and work. Vaughan is considered one of Canada's most family friendly cities with a dynamic and diverse population of over 300,000. With one of the top performing economies, a growing tourism industry and an enviable portfolio of recreational and cultural venues, this is the place where you want to be.

Responsible for preparation of the Transportation Master Plan Update and other related projects and policies; review of transportation impacts of official plans amendments and secondary plans; maintaining the City's Travel Demand Forecasting Model; providing project management services for environmental assessments; conducting and managing major transportation studies, engineering feasibility studies and traffic operational analysis including identification, evaluation and assessment of proposed transportation infrastructure improvements to support the expansion and improvements of City's road systems related to growth; preparing transportation input into Development Charge By-law updates. Leads and directs the activities of project teams, which may include internal staff and external resources.

Qualifications and experience:

- Successful completion of a University degree in Civil Engineering, Applied Science or Planning from an accredited university or suitable equivalent.
- A Professional Engineer (P.Eng.), in good standing with the Professional Engineers of Ontario (PEO) OR Full Membership in the Canadian Institute of Planners (MCIP) and full member of the Ontario Professional Planners Institute (OPPI).
- Possess a minimum of five (5) years' experience in various aspects of transportation planning, transit and road infrastructure, with demonstrated commitment to quality and process as well as complex project experience.
- Certification as a Project Manager Professional (PMP) through the Project Management Institute an asset.
- Working knowledge of traffic and transportation engineering and design principles and applications.
- Thorough knowledge of the Ontario Environmental Assessment Act and capital budgeting; including progressive experience in planning, design and management of capital projects.
- Demonstrated superior organizational and project management skills to lead a project or work group, organize numerous tasks, set priorities and meet deadlines.
- Demonstrated comprehensive knowledge of transportation planning principles, concepts, practices, methods and legislation, GTA context and roles of different levels of government.
- Computer literacy utilizing MS Office software applications as well as proficiency with specialized software applications and techniques relevant to the technical specialty.
- Exceptional interpersonal, organizational and analytical skills; excellent oral and written communication skills on technical and non-technical matters. Ability to deal courteously and effectively with the Public, Staff, Members of Council, Consultants and the Development Industry.
- Knowledge of and demonstrated ability in the City's core competencies and functional core competencies.
- Valid Class "G" Ontario driver's license in good standing with a reliable vehicle when required, to utilize on City business.
- Ability to work outside normal business hours, as required.

In addition to offering a competitive compensation package, we have a strong focus on health and wellness, including fitness facilities and family-focused benefits.

If you are an energetic person who is interested in bringing your knowledge and passion to the City of Vaughan, please [click here](#) to apply online by **Monday March 18, 2019**.
