

Dear MEA Members,

We have started the process of renewing all MEA memberships. Please see below for how each member type will be invoiced for 2018.

Corporate Members – Municipalities that have 11 members or more. An invoice will be sent to the main invoice contact that will specify how many members are active in that municipality. Once that invoice is paid, all members under that group will be renewed for the year.

2018 Corporate Members are:

- City of Barrie
- City of Brampton
- City of Hamilton
- City of London
- City of Markham
- City of Mississauga
- City of Ottawa
- City of Thunder Bay
- City of Toronto
- City of Vaughan
- City of Windsor
- Region of Durham
- Region of Halton
- Region of York
- Town of Oakville

Non-Corporate and Associate Members – All members will be renewed individually. Each member will receive an invoice via email for their membership renewal. You have the option to use this invoice for your AP department and send a cheque from your municipality or you can login online to pay with your credit card. You will also find your invoice under “My Transactions”.

If you have an engineer in your municipality who is not yet a member, please fill out this [form](#) and send to [lesley@ogra.org](mailto:lesley@ogra.org)

If you have any further questions regarding the renewal process, please contact Lesley McCauley at 289-291-6472 or [lesley@ogra.org](mailto:lesley@ogra.org)

Thank you for your continued support of the Municipal Engineers Association.
