Applicant's Signature: _____ P.Eng.

Proof of "Named Engineer" status attached

Submission: Please FAX to 1-289-291-6477 or email to Rayna@ogra.org

NOTE:**Verification of status as a “named engineer” for a Municipality**

This associate membership class is designed to cover Consultant Engineers who have been “named” to act on behalf of Municipalities in cases where they do not directly employ an engineer.

The MEA would request proof of this status by way of, for example a resolution of Council or a letter from the Clerk.

Annual renewal requires confirmation of continued status as “named engineer”.
