Municipal Engineers Award

Sponsor:

This award is sponsored by the Municipal Engineers Association.

Objectives:

The objective of the award is to recognize an Engineer who has contributed significantly to the Profession of Municipal Engineering in the technical, educational or community service field. The award is intended to draw both membership and public attention to the contribution of Engineers in the field of Municipal Engineering.

Criteria:

1. The nominee must be a member of the Municipal Engineers Association.
2. The Engineer must have one or more of the following:
 - (a) Given outstanding service to his/her community in a professional, as well as personal capacity, representing the interface between the municipal sector and the public, and/or;
 - (b) Enhanced the image of Municipal Engineering, and/or;
 - (c) Been recognized for his/her accomplishment in an engineering project of above average merit in uniqueness or complexity: where the engineer has originated or been in charge of, or has been recognized as the guiding influence of the project and/or;
 - (d) A record of long term service in the engineering profession and/or;
 - (e) Provided an outstanding commitment to the Municipal Engineers Association.

Selection Committee:

The selection committee will be comprised of the members of the Municipal Engineers Association Executive.

Nominations and Applications:

1. A nominee must have one nominator and a minimum of two seconders.
2. All nominators and seconders must be engineers licensed under the Professional Engineers of Ontario (PEO).
3. Nominators and seconders do not have to be members of the Municipal Engineers Association.
4. Nominators must supply complete detail on their nominee. Individual statements from each nominator must include the reasons why the nominee should be considered for this award. Information supplied should be in sufficient detail so as to afford the selection committee a comprehensive assessment of the nominee.
